

# **HICONNECT** **PREMIUM 2 YEAR SUBSCRIPTION**

Hiab HiConnect™ is the first Connected service that we have launched. It keeps you one step ahead with next-generation intelligence of today. By enabling new insights, it helps you to further increase efficiency, productivity and safety.

With HiConnect, you receive real-time data about your Hiab equipment's operation and condition. The practical and simple web portal gives you an unprecedented level of control of your operations. The power to improve your performance and safety as well as avoid unnecessary downtime is now at your fingertips.

HiConnect is available for all products equipped with connectivity and marked with the connectivity symbol. Availability and functionality may vary between markets. Please consult your local Hiab sales representative for details.

**HICONNECT GIVES YOU ACCESS TO ALL EQUIPMENT DATA, FLEET OVERVIEWS, LIVE MAPS OF YOUR UNITS, UPCOMING SERVICE NEEDS AND COMPLETE PERFORMANCE FUNCTIONALITY.  
REGISTER AT [WWW.HIAB.COM/EN-US/DIGITAL-SOLUTIONS/HICONNECT](http://WWW.HIAB.COM/EN-US/DIGITAL-SOLUTIONS/HICONNECT)**
