COMMANDER

CONTAINER HANDLING UNIT

ADD FLEXIBILITY TO YOUR LOAD

Productivity comes down to having the flexibility to take what the job throws at you. Now you can be more productive than ever.

With the MULTILIFT COMMANDER container handling unit, you add valuable versatility to your hooklift. Durable and adjustable, it enables you to switch from carrying flatracks to lifting ISO containers at the push of a button. So you can be ready for whatever comes.

TAKE COMMAND

MULTILIFT COMMANDER features built-in benefits that help you get the most out of your hooklift:

- Adjustability for ISO 668 1C and ISO 668 1CC freight containers
- Durable lifting frame and support rollers built with high-tensile steel
- Easy-to-use remote control
- Lifting frame easily stows away when not in use
- Numerous safety features to protect operator

ALWAYS A HOOKLIFT FOR YOUR NEEDS

MULTILIFT hooklifts are built to perform – today and tomorrow.

BUILT TO PERFORM

Hiab is the world's leading provider of on-road load-handling equipment, intelligent services and digitally connected solutions. Hiab's offering encompasses class-leading load handling equipment including HIAB loader cranes, LOGLIFT and JONSERED forestry and recycling cranes, MOFFETT truck-mounted forklifts, MULTILIFT demountables, and tail lifts under ZEPRO, DEL, and WALTCO brands. As the industry pioneer, our commitment is to increase efficiency in our customers' businesses and to shape the future of intelligent load handling.
